14. Notwithstanding anything contained in this By-Law it shall not be lawful for any Pound-Keeper to receive any animal into the Pound without he receives a written statement from the party bringing the same to be impounded, setting forth that such animals were doing damage to private or public property, or were dangerous to life through such animals running at large on the public highways or commons, and if such statement is satisfactory to the Pound-Keeper, then he shall receive the same into the Pound; and it is further provided that if such statement is afterwards proven to be a false statement, then the party making such false statement shall be liable for all costs and expenses incurred in connection with impounding such animals; such expenses, with all costs, shall be recovered in a summary way before any Justice or Justices of the Peace having jurisdiction within the said Corporation.
